Editor's Welcome

A warm welcome to December's newsletter and many thanks to everyone who has contributed. As you will see, there's plenty going on in the village as we move into the festive season, from Christmas shopping to Santa dashing and carol singing. At this cold and dark time of year, it's great to see there are so many local opportunities to get out and meet up with friends and neighbours.

If you have news that you'd like to share in our next edition, please contact us at woicrudwell@gmail.com by January 15th. In the meantime, season's greetings to everyone.

Crudwell Pre-School

We are having so much fun at Pre-School. We have a lot of new faces plus lots of children returning. It has been wonderful to see how kind the children have been, by welcoming the new children and helping them know the routine of Pre-School. We have seen children taking a new friends coat and showing them how to hang it, showing them where to put their snacks and water bottles plus giving them cuddles as reassurance. Kindness is so important at Pre-School and is a large part of our ethos.

We now have our own curriculum; this was created using the children's voice and the professional knowledge of all the team at Pre-School. We are very proud of our curriculum as it shows that we are an independent Pre-School with children at the heart of everything we do.

The children all created a Poppy wreath to display with pride on Remembrance weekend and Remembrance Day, you may have seen it in the Village Hall window. Our random act of kindness also continues with this important theme, keep your eyes peeled!!

Lastly, we love books and reading at Pre-School, we are sharing this with the community by leaving preloved books (for all ages) in the foyer. Please help yourself.

We are fully booked now for this academic year, but we have a waiting list, so please get in touch if you are interested in sending your child to Crudwell Pre-School. You can contact me by either ringing or emailing me on – 07986622191, info@crudwellpreschool.co.uk

Crudwell CE Primary School

At school this term our value for the term is compassion. In the run up to Christmas, we will be reflecting on what this means and the positive impact we can have when we behave compassionately towards others.

We have taught the children that empathy + action = compassion and we have shared practical examples and stories from the Bible to illustrate this. Being compassionate towards others creates a sense of belonging, respect and trust and this permeates all we do at Crudwell. I am never surprised or happier than when I see the children behaving in this way at school, with kindness and respect for others.

This week as I was showing a family around the school, one of our year 5 pupils spontaneously offered to help. Compassion in action! He saw a need and acted. He talked articulately about his school and what he enjoyed most about being part of Crudwell. The family were grateful and really impressed.

Compassion is always modelled by our team. At Crudwell, we think deeply about how we can develop this sense of belonging for the children at school. How can we keep them safe? Do the children feel they can talk to adults they trust? How can we support families in maintaining good attendance? What opportunities are there we can give the children to develop key communication skills and teamwork? What opportunities are there to take part in festivals that represent the school?

From whole school councils that empower the children to create change, sports festivals and school discos, to learning in class, we are always trying to engender this sense of belonging because when children feel happy and safe they are, crucially, also in a great space to learn.

If you are considering Crudwell CE Primary school and would like to arrange a visit please call 01666 577357 or email admin@crudwell.wilts.sch.uk to meet with the Head teacher, Mr Ben John.

Crudwell Village Hall

Most likely by the time you read this, the path on the recreation ground at the village hall will be finished and we will have planted the first trees and shrubs of our new park.

This work has taken a huge amount of effort from many people, but I want to pay special thanks to Terri Murphy and Hilary Warner for helping us identify, source, and plant these wonderful new additions. All are carefully chosen; they are native species, beloved by other wildlife and, I'm told, produce fantastic colours throughout the year. They will take some maintaining in their early years of life but hopefully will have been adopted by volunteers – including by some in their early years themselves - and be given all the love they need as they settle into their new home.

We'll also be marking out the new football pitch and installing new goalposts ready for the annual Boxing Day match. Come along and watch the fun if you get the chance. The sideline heckling is its defining characteristic and as many voices as possible are welcome.

So, what's to come? Well, as well as a new path, you'll notice several new patches set aside for picnic tables. We'll begin investigating how best to fill those spaces and examine the best locations for benches too. And we have a couple of volunteers who've stepped up to take charge of planning, funding, and building a pump track for bikes at the bottom end of the field. Thanks to Leon Horton and Claire Buxton for taking this on!

In the absence of a village shop, we've also been talking with a local supplier of vending machines, which can be stocked with local produce and snacks. This should be installed (near the bike maintenance station on the side of the hall) very soon and we're also looking at adding a separate vending machine for milk and dairy products to save the late dashes to Malmesbury for essentials.

As you can see there's lots to do and we've noticed that we're a bit short of different faces, views, and pairs of hands for the committee. We already have a couple who've put up their hand for maybe joining us but, if you're keen, just let me know.

Phil Buxton, chair, Crudwell Village Hall Committee.

Crudwell Village Hall is a great venue for a variety of functions including children's parties, wedding receptions, meetings presentations, as well as activities and clubs.

There is a large fully equipped kitchen, refitted and refurbished facilities, a large hall with a capacity of 150 to 200 people, Meeting room, large playing field and a children's playground adjacent to an outdoor fitness area. The hall has free Wi-Fi and drop-down projector screens.

Parish Council and Community Report Dec 24

Community Support

Following the Parish Council's agreement to actively sponsor and manage the financing of this journal, we are very pleased that our editor, Katie Hawkins compiled the November edition which was made available online [here](#) and distributed by our volunteer team organised by Charlotte Bullock. The Council at its November meeting agreed to the printing and distribution of the December edition to all households, however in order to maintain publication at an affordable cost to the parish the following processes will take place in the New Year.

- Advertisers and some contributors will be asked to donate to the PC on a tariff which will be determined by the advertisement size.
- Distribution of paper copies will be incrementally decreased as demand for online copy increases.
- Those who do not wish for a paper copy may request a small window sticker which will inform the distributors not to deliver to those addresses. These opt out stickers will be obtained by mailing the editor at woicrudwell@gmail.com. It is hoped that the stickers will be available for the December distribution.
- Printing will be incrementally reduced during the new year in order to reduce costs therefore keeping the journal within the budget allocated by the PC.
- Forms will be also be made available in the New Year at the Post Office and pubs where you will be able to request the continuation of paper copy delivery.
- The PC intends that the online version of the journal will become the norm and will, in future, of necessity only distribute to those who cannot access the online version in future, although the paper copy will always be distributed where needed.

Parish Council

The Parish Council last met on Tuesday the 12th of November in the Village Hall. Minutes of all meetings are published on the council website at:

<http://www.crudwell-pc.gov.uk/category/agenda/> together with the agenda for the next meeting which will take place at 7:00 PM on Tuesday the 3rd of December 2024 in Crudwell Primary School. Public speaking is permitted during the first ten minutes of the meeting, and you are, if you wish able to attend.

Two councillors attended a meeting of stakeholders held to look at the worsening problems associated with parking in the vicinity of the school and Church, particularly at drop off and pick up times. The meeting was also attended by representatives of the Church, the Primary School, farming and local residents. A number of ideas were considered which could help to ease congestion and make the area less hazardous. Members of group will seek to follow up with actions designed to ease congestion and make the area safer.

Councillor Gary Lawes has now resigned from the Council; Gary has been a significant contributor to Council work for a number of years, especially with regard to our task of reviewing and commenting on planning applications. We are most grateful to Gary for his work for our community and wish him well in the future. There are currently now three vacancies for Parish Councillors, if you are interested in joining the council then please contact our parish clerk at parish.clerk@crudwell-pc.gov.uk.

Neighbourhood Plan Report Dec 24

2021 Neighbourhood Plan; Tuners Lane Planning Application PL/2023/09595

This site was allocated by policy in the 2021 Crudwell Neighbourhood Plan and a Community Liaison Group of Councillors and residents have been engaged with the agents to help ensure that the development meets our requirements in terms of affordable housing and design.

A revised set of plans and documentation was recently published by the agents of the Tuners Lane development together with a new consultation response date of 12/11/2024. The changes to the plans are to address concerns raised by Wiltshire Council officers and also to address the Parish Council's objection with respect to some detailed design issues. The Parish Council has requested that the agents should hold a public exhibition for councillors and residents where the revised plans and improvements to design can be reviewed. We will inform you of the time date and venue when this has been agreed. Meanwhile the Planning Application for the site in Tuners Lane remains called in by Councillor Berry.

Neighbourhood Plan Review to 2038

- The Crudwell Neighbourhood Plan was "made" (completed and included in Wiltshire Council Local Plan) in May 2021. This gives us protection from speculative planning applications for unwanted developments for five years to May 2026.
- In 2023 the Parish Council agreed to commence a review of the 2021 plan to align with the emerging Wiltshire Local Plan which will state Wiltshire's housing requirements to 2038.
- Discussions are taking place with Neighbourhood Steering Group members and landowners who responded to the call for sites made as part of our 2023 consultation. The discussions are focussed on demonstrating the suitability and deliverability of housing on these sites which would meet the parish's requirement for new homes by 2038.
- Work on the other areas of policy continues, these new policy areas include: Proposed protected green spaces, The green network and hedgerow, Business Park, Business Development and additional Parking Facilities Policy to ease congestion at the Primary School, also a new Design Guide to meet Government requirements.
- We shall of course continue to consult with you via this journal again at all stages of the new plan's development and via formal consultations, the next of these is Regulation 14. Changes in Government policy and other external issues which are beyond our control mean that we have had to revise our plan timetable, and we now anticipate that Reg 14 will take place during the Spring of 2025.

Councillor Roy F Hamilton-Lambley, Chairman, Crudwell Neighbourhood Plan Steering Group

Church Cleaning

Our group of Church cleaners are a great bunch, so a very special thank you to all the people who keep All Saints Church looking so good. Fortunately, the bats have all hibernated for the winter months which makes our Church cleaning much easier. We hear lovely compliments about clean and tidy the church looks and how well looked after it is, so thank you to everyone involved.

We are looking for a few more volunteers to help us out, we work in pairs (or singly if that suits you best). The Church is cleaned twice a month, as a volunteer you will be required to commit to one month a year (2 individual visits). If you are interested to join us, please give me a ring on **01666 577572** or email on margaretenglish261@btinternet.com and I would be delighted to hear from you and let you know what is involved. I look forward to hearing from you.

Margaret English

Greetings from All Saints Church

Before Christmas in the Church's year, we have a period called Advent. The themes of Advent help us look at Christmas in different ways.

This year the word Hope occurs; we hear it in the news, hoping that wars will end and hoping that we can survive all the changes that are occurring in our lives.

In the Old Testament, Hope is always to do with waiting or the expectation for God to act to help a situation and this is more than optimism.

In the New Testament we have a 'living hope'; Jesus, who listens and helps us when we call to Him. We look back to a 'Risen Jesus' who is Christ, and know that he is able to do more than we can imagine and that he cares about each of us.

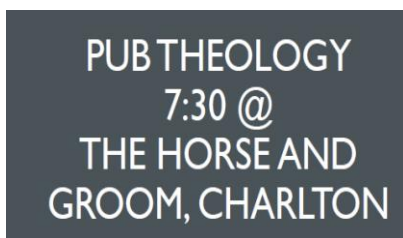

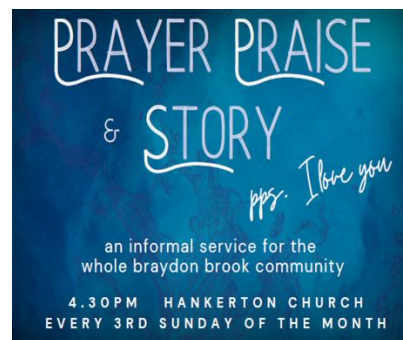

Jesus helps us look at the world in a different way.

Look at Christmas; who would think of a God sending a small baby into the world to save it? Being born in a stable; just the first of many things that could go wrong. Herod wanting to kill him, so they became refugees. Shepherds, the lowest in society, with their sheep were the first special visitors. Later on, foreign wise men giving them what seems very inappropriate gifts for a baby. Yet this baby has changed the world, by changing individual lives. Many years have passed since his birth but Jesus' life is still remembered and still changes so many lives in this world. His love is for each of us, no-one is left out as we all matter to Him.

This Christmas may you feel hope in your hearts and may it give you strength and courage to face each day knowing that you are not alone but loved by a God- a God who gave his son to help us, bringing love and light that can brighten our lives even in the dark times. Amen

Revd. Sarah Wyman

North Wiltshire Villages Flower Club

We are the North Wiltshire Flower Club and we meet every 3rd Wednesday of the month at 7 for 7.30pm. We are just folk who love flowers. Some of us are florists but many are not so please don't be anxious about joining us. There is plenty of car parking space and there is good chatter and free tea/coffee and cake at the end of the evening.

In October, we had Arnaud Metairie demonstrate his "Garden in the Sky" which was about his visit to Ecuador and Colombia. His floral arrangements were truly lovely and were raffled at the end. On November 20th we had National Demonstrator Angela Turner at Malmesbury Town Hall to give us a "Natural Christmas".

Looking ahead, we have we have a fun quiz and shared supper In December, a DIY demonstration in January and in February, Persephone Violet with "Aestheticism" (which means the practice of looking at everything as if it were art). So, lots to look forward to.

Contact Cathy on 07703299277.

Crudwell Ladies

November has traditionally become a Christmas craft evening giving members a chance to chat while being creative. This year was no exception when members created a Christmas Angel from the folded pages of a paperback book under the guidance of Hilda Cooper from Swindon. We welcomed a new member and a visitor making 20 attendees. Our meeting on December 11th is our planning meeting with Christmas nibbles as we discuss ideas for next year.

Crudwell Ladies meet on the second Wednesday of every month at 7pm, generally at the Village Hall. We plan a varied programme, which includes speakers suggested by the members, as well as afternoon visits in the summer months. We also meet socially on the fourth Wednesday of the month for coffee at The Wheatsheaf. If you are interested in joining or visiting any of our meetings, please contact *Judy Paginton*. (01666 577370) – or just turn up!

Coffee and Chat

Crudwell residents, friends and neighbours are all most welcome to join our sociable coffee mornings in Crudwell Church. We meet on the second Wednesday of each month, between 10.30 a.m. – 12 noon. So a date for your diaries is Wednesday, 11 December 2024. In addition to the raffle and sales table, sherry and mince pies will be served with the usual refreshments. All proceeds go towards the upkeep of the church building and churchyard maintenance.

We have continued to meet throughout this year and are always delighted to see newcomers. For further information, please contact *Rosemary Williams* on 01666 575073.

Many thanks for those who supported the Dorothy House Quiz on October 12th at the Village Hall.

We raised £850.50. Thanks to The Wheatsheaf, Pettifers and The Thames Head for donations to the raffle which brought in £225 towards that total.

Ladies' Lunch Club

It is such a delight to have the return of What's On In Crudwell, thank you very much to the new organisers. Due to circumstances beyond our control, we now meet at the Vine Tree between Foxley and Hullavington (post code SN16 0JP). They are really looking after us.

I have decided to retire from running Ladies Lunch Club but definitely still want the lunch club to continue albeit in a different form. We will be discussing this during our get-together on 9th December. I have thoroughly enjoyed my time organising the lunch club but after 20 years, I am running out of steam. More news in the January issue of WOIC.

Our lunch on **Monday, 9th December** is going to be a very flowery occasion, Chris Jarvis is going to demonstrate some beautiful Christmas arrangements and has offered one as a raffle prize that is going to be much sought after.

Dreena Ruddy (01666 860467) – *Margaret English* (01666 577572)

Short Mat Bowls

We've had another reasonably successful month. Our County League team beat Devizes 9-0 and by 63-18 shots. In the Malmesbury League we now have a 'surprise package'. Not only did Kestrels beat Kingfishers in our club derby but they then went to Seagry to beat a very strong Siskins team 5-0. Kestrels remain unbeaten and must now be close to the top of the ML league. Well done AGAIN to Anita, Carmel and Laurence. Kingfishers, meanwhile, have lost to Marshfield Martins although they were the first team to take points from them and beat Siskins at home. A mid table position awaits!!

We say goodbye to Helen Lee on 2nd December. Helen was a member of our club for many years. We will miss her.

We meet at Crudwell Village Hall on Tuesdays (7pm start) or Thursdays (currently 2pm start) and you can be assured of a warm welcome. If you come with flat shoes, we have woods and we will offer help and guidance. Your first visit is free and we can guarantee you will enjoy a cuppa and biscuit at some time during your visit. Why not give it a go? *Please contact either Anita Smith (our Joint Captain) on 07977566883 or Geoff Lane (our Secretary) 07400266866.*

Tai Chi

Our break up date for Christmas is **Tuesday, 17th December 2024**, and we will be back on **Tuesday, 7th January 2025** – ready to exercise our lovely relaxing life over the Christmas break. Our weekly Tuesday Tai Chi classes are very popular and all are welcome to attend. Faith is a great teacher and really helps to keep our Tai Chi sessions flowing. No experience is necessary as Faith explains every move and ensures that we are all comfortable and understand these movement. Tai Chi is recommended by health representatives as a proven way of improving our concentration, balance and co-ordination. The exercises can be done sitting in a chair or standing and done to a background of very gentle music which helps the class to participate more easily. Comfortable loose clothing and non-slip shoes are all that is required and of course, do bring a drink of water with you, although it is available at the hall. It costs just **£7** for an hour and each session is a stand-alone so you are not paying up front for a course. Just come along and join our friendly group. For further information, please contact either:

Carmel Straughan on 577502 and Margaret English on 577572.

Monday Netball and Tuesday Tennis

On Tuesdays, it's tennis starting at around 5.00pm and we have a WhatsApp group to confirm if we have enough people to play. We are all relatively keen, all levels of fitness, and like to think we are more able than we probably are. If you are interested in joining us or have any questions, please email anniebsmith@hotmail.co.uk

- The courts were built to **play tennis, netball, basketball and 5/side football.**
- There is **no charge** for the use of the courts.
