## CRUDWELL STRAWBERRY FAIR IS BACK!

5<sup>th</sup>/6<sup>th</sup> July 2025

A group of village residents who do not wish to see this event disappear are now in the process of planning this year's event, which will take place on the Village Green opposite the primary school on the above weekend. What could be better than enjoying strawberries in a village setting?

We would like to keep to the style of previous years, but to make this happen we are calling on the residents of Crudwell and the surrounding area to help us with anything you can offer, from the loan of garden furniture to your help setting up, hulling, waiting on tables, washing up, baking, offering musical talent and/or coming along to enjoy the strawberries and refreshments! Please do also contact us if you are interested in having a stall at the event, as we aim to include some additional activities to the refreshments.

If you are able to help us in any way (especially if you can offer some strong hands to help on the Friday with lifting heavy fridges etc) then please contact Angela at [ajking23@live.co.uk](mailto:ajking23@live.co.uk)

21/22<sup>nd</sup> June 2025

We are well underway now with preparations and already have teams registered – both local and from further afield.

Proceeds from this year's event are going towards the pump track which is a key part of the redesigned playing field project, so we would love as many riders and teams as possible, and as much sponsorship as we can raise. Volunteers to help with marshalling, set up and many other tasks are key to our success, so please do email [marshals@crudwellbikeride.co.uk](mailto:marshals@crudwellbikeride.co.uk) if you are able to spare 2 hours or more of your time.

For those new to the village, this is a much loved and unique 24-hour event, a key part of our community and we would love you to be a part of it. For more information, please go to our website at [crudwellbikeride.co.uk](http://crudwellbikeride.co.uk) to contact us.

## Crudwell Pre-School

We have been exploring our world this term. We have been to France, South Africa, Fiji, China and Great Britain. We learnt how to say Hello in different languages plus learning new Makaton signs (all the teachers are now trained in Makaton). We have read a lovely book called "I love my hair" and then we threaded beads onto braided wool to copy the beautiful hair in the book, we have tried noodles and coloured in many beautiful flags.

We are looking forward to the Mother's Day breakfast. This is where Mummies come into Pre-School and the children sing to them and then serve them pastries and juice. It is such a special morning and loved by all.

We now have our register open for September starters and we also have an open day on Thursday 29<sup>th</sup> May from 9:30 – 2pm. There is no need to book an appointment - just come along and visit us, we would love that.

For any more information, please contact me (Cathy) on 07986622191 or [info@crudwellpreschool.co.uk](mailto:info@crudwellpreschool.co.uk). Thank you so much in advance, Cathy and team.

*Crudwell Pre-school (Charity Reg. No. 1186585) Crudwell Village Hall – Monday, Wednesday, and Fridays - from 9am to 3pm for 2 to 5 years old plus Thursday 9-3 from April).*

## Crudwell CE Primary School

Our school vision is 'Roots to Grow and Wings to Fly'. The roots ensure a solid foundation for which the children to grow and the wings gives them opportunities to develop and excel in other areas.

Last term, we enjoyed 'Crudwell's Got Talent' at school. The children certainly do have a lot of talent! Heats were held in the classrooms in the morning, with the finalists judged by the Pupil Leadership Team in the afternoon in our Grand Final! The overall winners, 'CTS – Charlie, Thomas and Sam' were incredible and played 'Thunderstruck' by AC/DC on their electric guitars and drums with gusto – what a treat for us all! Making school fun improves children's confidence and sense of belonging – essential to raise standards and attainment in all areas of the curriculum.

We also recently celebrated Safer Internet Day, which was held nationally and at school on Tuesday 11<sup>th</sup> Feb. It is essential children are aware of the potential dangers online as well as the fun! Helpful information shared with parents too at home. Thank you to Mr Kuipers for organising and teachers leading on the day.

Finally, on our return to school following the half term break, Aled Evans, from Chance to Shine, ran a Cricket Roadshow at school for all the children. This was a very successful day and although it was cricket, the weather played ball, and we were able to practise outside in the sunshine!

Mr John

*If you are considering Crudwell CE Primary school and would like to arrange a visit please call 01666 577357 or email [admin@crudwell.wilts.sch.uk](mailto:admin@crudwell.wilts.sch.uk) to meet with the Head teacher, Mr Ben John.*

# Crudwell Flood Action Group

Volunteers have continued to meet fortnightly, to ensure that issues affecting flood risk and resilience are being written down and communicated. To date, we have :

1. Created a **Maintenance List for the Parish Council**, which itemises 13 important activities that should be started immediately. The list includes what we believe is the most important maintenance job of all: clearing under the road bridge so that the Swill Brook flows unimpeded. Even if you are a resident living at the other end of the village, this affects you! We talked the full maintenance list through with the Parish Council, and handed it over in mid-February for their ownership going forward.
2. Created a **List of Questions for Wiltshire Council**, asking whether they can enlarge culverts under the roads, improve surface drainage in specific places, and make other simple changes that we believe would improve resilience. The Parish Council said they intend to ask Cllr Berry if he might take these to appropriate people at the Council, such as the Principal Drainage Engineer. As an alternative, we would encourage the PC to take the questions to the Wiltshire Flood Working Group and pursue answers via that forum.
3. Helped the **village school** by providing the Headteacher with detailed information about the floods, which he was able to send to his own contacts at Wiltshire Council. The school received timely and helpful responses, including some advice for Crudwell on where to seek funding and also the process to follow for appointing flood wardens in the future.
4. Attended the **South Cotswolds Flood Summit** in Cricklade on the 1st March. We were asked to present first and gave an overview of the impact of flooding here, plus issues and ideas going forward. A common theme across this part of the county was the lack of maintenance of culverts (where water is channelled under a road) and underneath bridges, and there was a lot of negativity about the Environment Agency in its current guise. After the summit we shared our written work with the MPs team to maximise the chance that one day in the future the village is near the top of a list for better support.

If you want to put your weight behind any of these issues, you could :

- a. Talk to the Parish Council to ask when maintenance near your house will be done.
- b. Contact Cllr Berry, to encourage him to seek answers from Wiltshire Council about roads and drains.
- c. Contact the local MP, and sign up for her flood resilience campaign: <https://www.rozsavage.uk/campaigns/improve-flood-resilience-in-the-south-cotswolds>
- d. Report overflowing drains when you see them to Wessex Water, or problems with Highways drainage on the MyWilts app.
- e. Talk to the Flood Action Group if you would like information about flood defences for your home or can share information with others in the community.

# Crudwell Village Hall

With the sun making its first real appearance this month, it's been so nice to see people using the field, playground, tennis courts, and the new path at the village hall on such a regular basis. Investigations continue to source funding for the bicycle 'pump' track at the bottom of the field but all the pieces for our new goalposts are now with us so these will be installed very soon. Benches and picnic tables to go around the field are now a priority, so we hope to have some news on those soon.

Also, we've been excited to discover a free tree sourcing and delivery service from the Woodland Trust, which we'll be using to continue the tree-planting programme for the rest of the field. Providing for native species of insect, bird, and mammal is high in our minds as we work through this to do all we can for biodiversity and our own enjoyment of this precious green space. All in all, our new 'park' is taking shape, and we appreciate all the support from the community in helping us to make it happen.

In other news, there has been a snag with our proposed new vending machine – namely that weather protection hadn't been factored in. As a result, discussions continue but this could take some time.

Finally, by the time you read this, our AGM will have been and gone – we'll update any outcomes from that meeting here next month, including the latest roll call of trustees, officers, and committee members. As ever, if you'd like to play your part just let me know!

Phil Buxton, chair, Crudwell Village Hall Committee.

[chair@crudwellvillagehall.org](mailto:chair@crudwellvillagehall.org)

Crudwell Village Hall is a great venue for a variety of functions including children's parties, wedding receptions, meetings presentations, as well as activities and clubs.

There is a large fully equipped kitchen, refitted and refurbished facilities, a large hall with a capacity of 150 to 200 people, meeting room, large playing field and a children's playground adjacent to an outdoor fitness area. The hall has free Wi-Fi and drop-down projector screens.

# Parish Council April

## **Parish Council**

The Parish Council last met on Tuesday the 18<sup>th</sup> of March 2025. Meeting minutes are published on our website at: <http://www.crudwell-pc.gov.uk/category/agenda/> together with the agenda for the next meeting which will take place at 7:00 PM on Thursday the 24<sup>th</sup> of April 2025 in **Crudwell Primary School**. Public speaking is permitted during the first ten minutes of the meeting, and you are, if you wish able to attend.

The Annual Meeting of the Parish Council will take place on Thursday the 13<sup>th</sup> of May in Crudwell School.

## **Flood prevention and Crudwell Flood Action Group (FLAG)**

Councillors have held further meetings with representatives of Crudwell FLAG and reviewed a long-term plan of requests to assess a number of drainage infrastructure installations to determine that these are working effectively and if improvements are possible to better alleviate flooding in the future. Most of the items fall under the auspices of Wiltshire Council and will be raised directly with the appropriate department. The PC will review the items which fall within its riparian responsibilities. Further activities are as follows:

- The Council has communicated with local landowners reminding them of riparian responsibilities to ensure that watercourses on their land are well maintained.
- Liaison with Wiltshire Council continues to ensure that culverts and ditches within their jurisdiction are well maintained.
- Additional road signs and gel sacks have been obtained and are available for use.
- The Parish's Emergency Plan is under review to ensure that all possible scenarios are covered.
- A Parish Councillor liaises directly as a member of Crudwell FLAG with a monthly report back to Council meetings. You can find information in the Facebook group, or via: [crudwellflag@gmail.com](mailto:crudwellflag@gmail.com)
- Representatives of Crudwell Flag presented at MP Roz Savage's Flood recent summit meeting in Cricklade.

Information for landowners re Riparian responsibilities can be found on our website at: <https://www.my-crudwell.org/2025/01/information-for-landowners-re-riparian-rights/>

## **Local Elections**

On Thursday 1 May 2025, elections will take place for 98 Unitary Wiltshire Councillors and across the Parish and Town Councils in Wiltshire. Crudwell Parish Council is required to publish the Notice of Elections for Crudwell Parish Council (9 councillors).

There is a link below to our website which has:

- The Notice of Elections for Crudwell Parish Council (9 councillors).
- Further information about becoming a councillor.
- Application form

[www.crudwell-pc.gov.uk](http://www.crudwell-pc.gov.uk)

Polling will take place in Crudwell Village Hall from 7am to 10pm.

Additional information is available on <https://www.wiltshire.gov.uk/local-elections>

# Neighbourhood Plan April

## **Plan Allocation; Tuners Lane**

An exhibition of the final designs and layout for the Tuners Lane site will be held at the Village Hall on the 27<sup>th</sup> of March from 4:00 till 7:00 pm. All Crudwell parish residents are welcome to attend.

Representatives of the site agents will be present to answer your questions. Meanwhile, the Planning Application remains called in for North Wiltshire Planning Committee review.

## **2038 Neighbourhood Plan Review**

- Many thanks to those of you who have responded to our Neighbourhood Plan bulletin outlining our proposed NP approach to the impact of the new Government housing targets which require an additional 39 additional homes in Crudwell by 2038. The comments page remains open until March the 30<sup>th</sup> and your comments, which are welcome, can be made online on our website at <https://www.my-crudwell.org> . We will respond to all comments individually and summarise our findings in next month's bulletin.
- Work on other aspects of the plan, including commissioning the detailed maps and plans of the potential sites which will be included in our allocation policies, continues in order that these can be subjected to Strategic Environmental Assessment. The sites, as reported previously, are located at Carpenters Yard and land behind Chapel Way. Additionally, the feasibility of a parking facility and safe school access in the northern Glebelands, designed to alleviate congestion by the school and village green, is currently being assessed and may be included as an allocation policy. All these site allocations will be subject to appropriate permissions.
- Work has now commenced on the required Crudwell Design Code following a tour of the village by the commissioned architectural consultants during February. A presentation of the proposed themes and contents of the design code will be exhibited for all to review during early April 2025. Details of the venue, date and times will be published on our website, our Facebook page and via our my-crudwell mailing list shortly. You can join our mailing list from our website at <https://my-crudwell.us16.list-manage.com/subscribe?u=6c7b9a2a92354da7cede56384&id=ef342a9859>
- The next formal consultation called Regulation 14, on all of the draft policies in the Plan will take place later this year.

***Cllr. Roy F Hamilton-Lambley, Chairman; Crudwell Neighbourhood Plan Steering Group***

# Greetings from All Saints Church

## Where's the Body? Luke 24. vs 1-2

There is abundant evidence that Jesus lived & died. Few would dispute this. The more provocative question is whether he died & lived. If Jesus rose from the dead, as millions of Christians declare every Easter, then we must accept all that He said. But *"If he didn't rise from the dead ...why worry about any of what he said. The issue on which everything hangs is not whether or not you like his teaching, but whether or not he rose from the dead."* (Timothy Keller)

Jesus had said he would die and rise from the dead after 3 days. This was well known and is the reason guards were assigned by the authorities to watch the tomb, with a seal set. (Matthew 27:66)

What happened next has been debated for 2,000 years.

In our text, on the day after the Sabbath, the women go to the tomb with spices, to finish anointing Jesus' body. To their shock, they find the stone rolled away and the body gone.

Suggestions have been made that Jesus didn't really die but came to his senses and somehow got out of the tomb; that the disciples went to the wrong tomb, that someone else removed the body and that reports of his subsequent sighting were a case of mass hallucination.

You will probably have your own perspective on this.

I find it fascinating to look at how the disciples responded in the weeks and years that followed.

They were *transformed* people. The timidness and fear that had caused them to abandon Jesus or betray him, that had them trembling behind closed doors, vanished. They were emboldened; they declared unequivocally that they had seen Jesus alive.

Doubters suggest they lied and spread the rumour that Jesus had been raised from the dead for some agenda of their own. Some agenda! Chuck Colson who went to prison for his part in the Watergate Scandal, points out that, *'Jesus' disciples were willing to be ostracized, beaten, persecuted, and all but one of them suffer a martyr's death'.*

And liars always get found out!

Colson goes on to say of himself and his co-conspirators,

*There were no more than a dozen of us. Could we maintain a cover-up to save the president? Consider that we were political zealots. We enjoyed enormous political power and prestige. With all that at stake, you'd expect us to be capable of maintaining a lie to protect the president... But we couldn't do it...*

*Christ's disciples, by contrast, persevered boldly with their story, 'without ever [once] renouncing their conviction that they had seen Jesus bodily resurrected?'*

*This deserves consideration.*

The only explanation which makes any sense at all is that Jesus really did rise from the dead. And this is a life-changing, hope-filled message! It is the message of the Gospels.

If you have not ever or recently read one of the Gospels - I encourage you to do so.

Matthew, Mark, Luke or John, can each be read in a couple of hours with a good glass of wine or a few of cups of tea.

If you do one exciting and dangerous thing this Easter, I hope it won't be base-jumping. I hope it will be this!

Bob Rector of Braydon Brook Benefice

## Crudwell Ladies

At our March meeting we had a very interesting talk about living and working in Berlin before and after the infamous 'Berlin Wall' was taken down. Sheila Lloyd-Graham and her husband Ian brought along some fascinating souvenirs from their time there. This is known as 'living history', and, although we all recalled the newspaper and TV news, it was excellent to hear about real events from an eyewitness.

On **Wednesday, 9<sup>th</sup> April Pam Baldry** will be talking about 'Glass with a Story', which will be a most interesting talk with Pam's very thorough research. Our **May meeting on Wednesday, 14<sup>th</sup>** will be a shortish walk around Sherston which is a village with an interesting history and story, then tea/coffee and delicious cakes at The Angel Cafe. Our fingers will be crossed for good weather.

*Please see the Village Calendar on the back page for future events and contact details.*

## North Wilts Flower Club

We are having an Easter Practice Session (no experience necessary) at Crudwell Village Hall on 9 April at 1.30 for 2 pm. We hope you can come, For more info on what to bring, email [nwvflowerclub@gmail.com](mailto:nwvflowerclub@gmail.com).

On 16<sup>th</sup> April we have Jenny York with her designs called "Out of Africa". Jenny was a diplomat and speaks very well about flowers which will be raffled at the end.

## Short Mat Bowls

The past month has seen the County League (North) completed - we won the league again: the Summer League Championship has been completed - we beat Market Lavington (the winners of the South County League) both home and away to retain the championship for the third year.

In the Malmesbury League, club teams came second and third. The 'end of season' competition qualifiers are now being played. One success to date - Julia and Geoff have qualified for the Pairs Final. Hopefully more success will follow.

Our sport can be played by younger and older people, men and women compete together; friendships are forged and fitness honed - the game has it all. Crudwell Short Mat Bowls Club is on your doorstep and you could be part of it. If you fancy having a go, just come along to a club session on Tuesday evenings or Thursday afternoons.

*See the Village Calendar on the back page for more details.*

## Badminton

Crudwell Badminton Club welcomes players of all abilities to its Monday evening sessions at the Village Hall. Don't worry if you've never played before – we are happy to teach! If you'd like to join us for an evening free of charge, email [hilarywarner62@gmail.com](mailto:hilarywarner62@gmail.com).

## Tai Chi

Our new routine is coming along and the one movement we all seem to enjoy is the 'donkey kick' so why don't you come along and find out all about it. We still enjoy our regular moves but definitely little grey cells (as Hercule Poirot would say) are getting an airing.

Tai Chi is recommended as a proven way of improving our concentration, balance and co-ordination. The exercises can be done standing or sitting and are done to a background of very gentle music. It costs just **£7** for an hour on a pay as you attend basis.

*See the Village Calendar on the back page for more details.*

## Netball and Tennis

Netball for all takes place from 6pm to 7pm on Mondays. Phone **Debbie on 07880 606702** for more information.

On Tuesdays, it's tennis starting at around 5.00pm and we have a WhatsApp group to confirm if we have enough people to play. We are all relatively keen, all levels of fitness, and like to think we are more able than we probably are. If you are interested in joining us or have any questions, please email [anniebsmith@hotmail.co.uk](mailto:anniebsmith@hotmail.co.uk)
